## To The Tobacco Growers Of Madison and Adjoining Counties:

Last week was our best week in point of prices. We have had a steady to strong market, closing the week especially strong. We give you below the figures. As stated in our letter of last week, we sold over our floors Monday last 156,000 pounds at a general average of \$13.31. On Tuesday we sold 80,000 pounds at \$13.32, while on Wednesday we sold 65,000 pounds at an average of \$14.00 per hundred; on Friday we sold 50,000 pounds at an average of \$14.50 per hundred, showing a steady increase each day, and we candidly believe that the floor average for 50,000 pounds at \$14.50 is the best that has been made in the State.

On yesterday we sold over our floors 160,000 pounds at a general average of about \$14.30 which we consider most remarkable for this great amount of tobacco on one sale. The following are Monday was county court day, Great Sachem Chas. W.
